[Verse 1]

```
(No Chords)                      C
Baby lock the door and turn the lights down low
C                         G
Put some music on thats soft and slow
G                      D
Baby we ain't got no place to go
                 G (Stop)
I hope you understand
(No Chords)                   C
I've been thinking bout this all day long
C                      G
Never felt a feeling quite this strong
G                            D
I can't believe how much it turns me on
D                 G
Just to be your man
Am              C
Theres no hurry,don't you worry
D
we can take our time
Am                     Bm
Come a little closer,lets go over
D              G (Stop)
What I had in mind
