[Verse]

```
        Em
Imagine me and you, I do.
                  D
I think about you day and night, it’s only right.
                   C
To think about the girl you love, and hold her tight.
           B
So happy together.

             Em
If I should call you up, invest a dime.
                  D
And you say you belong to me, and ease my mind.
                C
Imagine how the world would be, so very fine.
           B
So happy together.
```

The only one for me is you, and you for me.

So happy together.
