I've been called up by a teacher

             G                                   C

you've been talking with your fist

there have been changes in this house

        G                               C
things you don't know about in this family
