Dont Know Much About Love

Hanne boel

Guitar akkorder

[Intro]

```
D   A   D   A
D   A   D   A
```

[Verse 1]

```
A             D        A     D
Baby can you teach me - how to
A            D              A               D
Baby can you reach me, I am calling out for you
A               D      A   D     A
Underneath your window - tonight
        D         A               D
I am no Juliet so help me make it right
```

[Bridge]

```
         G                                  Bm
If I can get this message through to your heart
            A                    D
It would be more than I can understand
     G                          Bm
No beginners ever skipped the start
      A                          A
And I want to learn all that I possibly can
```

[Chorus]

```
          D     A    D
Because I don't know much
  G          D     A          D
I don't know much, much about love
    D   A  D
I'm out of touch
  G          D     A          D
I don't know much, much about love
```

[Verse 2]

```
A           D        A        D
Baby when I kiss you - will I hear
A               D                A            D
Little words of yes, you've been keeping from me
    A              D         A         D
I'm rushing like a fool babe - cause I know
```

```
        A                   D
If they tought you this in school
              A              D
You must have made the honor roll
```

[Bridge]

```
         G                                   Bm
If I can get this message through to your heart
            A                     D
It would be more than I can understand
     G                         Bm
No beginners ever skipped the start
      A                         A
And I want to learn all that I possibly can
```

[Chorus]

```
          D     A    D
Because I don't know much
  G          D     A          D
I don't know much, much about love
    D   A  D
I'm out of touch
  G          D     A          D
I don't know much, much about love
```

[Solo]

```
Bm  A   G   D
Bm  F#m  G   A   A
```

[Verse 3]

```
A             D        A     D
Baby can you teach me - how to
A            D              A               D
Baby can you reach me, I am calling out for you
A               D      A   D     A
Underneath your window - tonight
        D         A               D
I am no Juliet so help me make it right
```

[Bridge]

```
         G                                   Bm
If I can get this message through to your heart
            A                     D
It would be more than I can understand
     G                         Bm
```
