Guitar akkorder

Intro: C G F G

```
C                   G              F                 G
 Look into my eyes,   you will see what you mean to me
             C                   G
 Search your heart, search your soul and when you
 F                     C         G
 find me there, you'll search no more
       Dm                      C      G
 Don't tell me it's not worth trying for
           Dm                      C     G
 You can't tell me it's not worth dying for
               C/G                 G           C
 You know it's true, everything I do, I do it for you

C                     G                          F                 G
 Look into your heart,  you will find, there's nothing there to hide
              C           G              F                      C    G
 Take me as I am, take my life, I would give it all, I would sacrifice
       Dm                      C        G
 Don't tell me it's not worth fighting for
         Dm                        C      G
 I can't help it, there's nothing I want more
               C/G                 G           C
 You know it's true, everything I do, I do it for you

           Bb           Eb                 Bb                F
   There's no love like your love, and no other could give more love
           C               G                     D             G
   There's no where unless you're there, all the time, all the way

        Solo:     F       C        F     C

                Dm                              G
   Oh you can't tell me it's not worth trying for
           Dm                              G
   I can't help it there's nothing I want more
   F              C                   G
    Yeah I would fight for you, I'd lie for you, walk the
   F                       Fm
    wire for you, yeah I'd die for you
                C                 G    F  F6        C
   You know it's true, everything I do, oh,  I do it for you
