Laugh n a half

DAD

Guitar tabs/fingerspil

```
Em           D                      Em
I learned politeness on mama's knee
G                                      D
I learned by uprightness my number of friends

should increase
Em              D                     Em
When I think about the things I've done
G                       D
I laugh out loud to noone

Yeah, to noone

[Omkvæd]
Em
'Coz it's so hard to meet

The eyes that I see
                    D       G
When I try to open up my heart
                                          D
There's something inside me'n'I know it's good
                      H7         Em
But understanding is misunderstood
               D                    A            em
1
at the end of a smile there's a laugh'n'a  /2

              D                     em
2.   But I became honest Mr. Mistaken
G                                     D
In spite of the curves my smiles was makin'
em                 D                              em
Bumpers and kickers in one big stream
G                                   D
I grew up in a life size pinball machine

Yeah – They're mean!

[Omkvæd]
'Coz it's so hard to meet...
There's something inside me...

[Omkvæd]
        G
On my behalf
```

There's something inside me...

```
     Em
3.   I tried to fill some silence
         D
'Coz the silence feels so long
G                  A       B7
I knew the ice was gettin' thinner
           Em
But I kept skating on!

4.   My mother threw me into this world as a
D
winner

But by the light of the yellow beer
G             D          A            Em
They tell the jokes I'll never get to hear
```

[Omkvæd]

```
On my behalf
There's something's inside me...
```

[Omkvæd]

```
On my behalf
There's something's inside me'n I know it's
good
But understandin' is misunderstood

At the end of a smile there's a laugh'n'a  /2
At the end of a smile there's a laugh'n'a 1/2
1
At the end of a smile there's a laugh'n'a  /2
