Hello

Lionel Richie

Guitar akkorder

```
Dm                    C              Bb     C
I’ve been alone with you inside my mind.
    Dm                 C
And in my dreams I’ve kissed your lips.
Bb          C
A thousand times.
Dm                   C                Bb    C
Sometimes I see you pass outside my door.
Dm    C       Bb               D
Hello,  is it me your looking for.
Bb                    C    Dm                     Bb
I can see it in your eyes.I can see it in your smile.
Eb                  F#          Bb                 Dm
You are all I ever wanted. And my arms are open wide.
         Bb                 C                   Dm
I should know just what to say.And you should know just
        Bb
what to do..
      Eb                   B             Dm
And I want to tell you so much . I love you.
                   C                 Bb     C
I long to see the sunshine in your hair.
    Dm                 C           Bb
And tell you time and time again.
           C      Dm                 C
How much I care.I sometimes feel my heart will
    Bb     C
overflow.
Dm    C             Bb             D
Hello,   I’ve just got to let you know.
        Bb               C
Cause I wonder where you are.
      Dm              Bb
And I wonder what you do.
        Eb                F#
Are you somewhere feeling lonely.
           Bb               Dm
Or is there someone loving you.
        Bb               C
Tell me,how to win your heart.
      Dm             Bb              Eb        F#
For I have’nt got a clue.But let me start by saying,
  Dm
I Love You.
