```
C                              F
I've been the wild rover for many a year
  C           G                    C
I spent all my money on whiskey and beer.
    C                              F
But now I'm returning with gold in restore
C          G             G7       C
Never I'll play the wild rover no more.

[Omkvæd]
         G               G7  C

                  F

       C             F

And it's no...
