2. This is my street, are you restless feet?
carry me on to anywhere
take the fear, take it away!
And give me some hope for one more day.

[Omkvæd]
I saw a ghost behind the door
the kids were coming home from the war
woh woh woh
with broken dreams and nothing more.

[Omkvæd]
I heard a woman singing her song
and it was good and warm and strong.
Woh woh woh
She made me cry, I don't know why.

3. (Dette vers nynnes eller

[Omkvæd]
No, I don't want to bring you down
I think it's good to be here
mm mm mm
This is my life and I don't care.
