C D Am C D Am
I hurt myself today to see if I still feel
C D Am C D Am
I focus on the pain the only thing that's real
C D Am C D Am
The needle tears a hole the old familiar sting
C D Am C D Am
Try to kill it all away but I remember every thing

Chorus:
C F C G
What have I become, my sweetest friend
C F C G
Everyone I know goes away in the end
Am F G
And you could have it all my empire of dirt
Am F G Am C D
I will let you down I will make you hurt

I wear this crown of thorns on my liar's chair
Full of broken thoughts I cannot repair
Beneath the stain of time the feeling disappears
You are someone else I am still right here

Am F G
If I could start again a million miles away
Am F G Am
I would keep myself I would find a way
