Blue Moon
dm7             G7          C  am
you saw me standing alone
Dm7       G7          C   Am
without a dream in my heart
Dm7       G7         C   F C
without a love of my own .

2.   Blue Moon
you knew just what I was there for,
you heard me saying a pray'r for
someone I really could care for.

[Omkvæd]
        F           G7      C
And then suddenly appeared before me
          F               G7   C
the only one my arms will ever hold,
            Fm             Bb     Eb
I heard somebody whisper, “Please adore me”,
           G                    D7
and when I looked, the moon had turned
   Dm7 G7
to gold.

3.   Blue Moon
now I'm no longer alone,
without a dream in my heart,
without a love of my own.
