Losing My Religion

REM

Guitar akkorder

```
 Dm Am Dm G

 G    Am            Em
Oh, life it's bigger,
Em                        Am
it's bigger that you and you are not me
                          Em
The lengths that I will go to,
                       Am
the distance in your eyes
Em                   Dm
Oh no I've said too much,
               G
I've said it all
                   Am
That's me in the corner,
                   Em
that's me in the spotlight,
            Am
losing my religion
            Em
Trying to keep up with you
      Am                        Em
and I don't know if I can do it
                       Dm
Oh no I've said too much,
                  G
I haven't said enough

[Omkvæd]
                             F
I thought that I heard you laughing,
                             Am Am/B Am/C Am/E
I thought that I heard you sing
  F                  Dm  G    Am
I think I thought I saw you try

2.   Every whisper of every waking hour
I'm choosing my confessions
Trying to keep an eye on you
Like a hurt lost and blinded fool, oh
Oh no I've said too much, I said it all
Consider this, consider this
a hint of the century,
Consider this, a slip that brought me to my
knees, pale
```

What if all these fantasies come flailing around
Now I've said too much

[Omkvæd]
I thought that I heard you laughing,
I thought that I heard you sing
I think I thought I saw you try

Am
But that was just a dream
C G
That was just a dream

4. That's me in the corner,
that's me in the spotlight,
losing my religion
Trying to keep up with you
and I don't know if I can do it
Oh no I've said too much,
I haven't said enough

[Omkvæd]
I thought that I heard you laughing,
I thought that I heard you sing
I think I thought I saw you try

But that was just a dream
Try, cry, fly, and try
that was just a dream
Just a dream
Just a dream
