A|-0---------------------------0-----------------------------------------------|
E|---------------------------------3-----------------------------------------|
```

Am **G**
A hundred days have made me older Since the last time that I saw your
Am **F G**
pretty face,
Am **G**
A thousand lies have made me colder, And I don't think I can look at this the same
Am **G**
An all the miles that separate,
Am **F** **G**
They Disappear now when I'm dreamin' of your face

CHORUS
C **G** **Am**
I'm here without you baby, But you're still on my lonely mind
F **G** **C**
I think about you baby and I dream about you all the time
G **Am**
I'm here without you baby, But you're still with me in my dreams,
F **G** **Am** **G** **Am F G**
And tonight, there's only you and me yeah.

Am **G** **Am F G**
The miles just keep rollin', As the people leave their way to say hello
Am **G** **Am**
I've heard this life is overrated, But I hope that it gets better as we go
F **G**
hooh yeah yeah.

CHORUS

```
Am            C              G
Everything I know, and anywhere I go
              F
It gets hard but it won't take away my love,
Am                C                    G
And when the last one falls, when it's all said and done.
              F                C     G    Am  F G
It gets hard but it won't take, away, my love, woah oh Woah    wo-oh
```
