Nothing else matters

Metallica (Hetfield/Ulrich)

Guitar akkorder

```
     Em                  D     C
1.   So close no matter how far
Em                    D            C
Couldn't be much more from the heart
Em                D        C
Forever trusting who we are
G   B             Em
And nothing else matters.

2.   Never opened myself this way
Life is ours, we live it our way
All these words I don't just say
And nothing else matters.

3.   Trust I seek and I find in you
Every day for us something new
Open mind for a different view
And nothing else matters.

[Omkvæd]
   C A D                   C
Never cared for what they do
   A D                     C
Never cared for what they know
   A D Em
But I know.

4.   So close no matter how far
Couldn't be much more from the heart
Forever trusting who we are
And nothing else matters.
Never cared for...

5.   Never opened myself this way
Life is ours, we live it our way
All these words I don't just say.
And nothing else matters.

6.   Trust I seek and I find in you
Every day for us something new
Open mind for a different view
And nothing else matters.

[Omkvæd]
                                        C A D C
Never cared for what they say
```

A D C

Never cared for what they play

A D C

Never cared for what they do

A D C

Never cared for what they know

A D Em

And I know.

7. So close no matter how far
Couldn't be much more from the heart
Forever trusting who we are
No nothing else matters.
