Moonlight Shadow

Mike Oldfield

Guitar akkorder

```
    Am                  F
The last time ever she saw him
G                  C         G
carried away by a moonlight shadow
   Am                  F
He past on worried and warning
G                  C         G
carried away by a moonlight shadow.
C                     G
Lost in a riddle that Saturday night
Am   F          G
Far away on the other side
       C                          G
He was caught in the middle of a desperate

fight
        Am            F           G
And she couldn't find how to push through.

2.   The trees that whisper in the evening
Carried away by a moonlight shadow
Sing a song of sorrow and grieving
Carried away by a moonlight shadow.
All she saw was the silhouette of a gun
Far away on the other side
He was shot six times by a man on the run
And she could't find how to push through.

[Omkvæd]
                                                  G C G C G C F G
I  stay, I  pray see you in heaven far away
                                                  G C G C G C F G
I  stay, I  pray see you in heaven one day

3.   Four a.m. in the morning
Carried away by a moonlight shadow
I watch your vision forming
Carried away by a moonlight shadow.
The stars move slowly in a silvery light
Far away on the other side
Will you come to talk to me this night
But she couldn't find how to push through.
I stay...

4.   (Halvt vers instrumentalt)
Caught in the middle of a hundred and five
```

(Guitar igen)
The night was heavy and the air was alive
But she couldn't find how to push through.
I stay...
