[Verse 1]
```
C               G            Am
Slip inside the eye of your mind
          E7             F    G
Don't you know you might find
                   C     Am G
A better place to play
C             G           Am
You said that you'd never been
            E7                  F    G
But all the things that you've seen
             C    Am G
Slowly fade away
```

[Pre-Chorus]
```
F                  Fm6            C
 So I start a revolution from my bed
         F                  Fm6            C
'Cos you said the brains I had went to my head
F             Fm6             C
Step outside, summertime's in bloom
G
Stand up beside the fireplace
E7/G#
Take that look from off your face
Am            G             F       G
You ain't ever gonna burn my heart out
```

[Chorus]
```
    C  G          Am        E7             F
And so Sally can wait, she knows it's too late
         G          C   Am G
as we're walking on by
    C    G       Am   E7
Her soul slides away,
               F             G
but don't look back in anger
            C   G   Am   E7   F   G   C   Am G
I heard you say
```
