Human

Carpark North

Guitar akkorder

[Verse 1]

```
Gm
You're so right and you don't think you're wrong
Gm
You're not on the list and you're in my songs
Cm                            Eb
I did right to walk and just leave you there
         Cm                      Ab
cause no one can stand your fear of fear
```

[Verse 2]

```
Gm
You're so wrong, and still think you're right
Gm
I was too old to pick that fight
Cm                      Eb
And I take you touch, just changed your day
        Cm                       Ab
I broke off with you cause you didn't change... Me
```

[Chorus]

```
Cm              Eb
Yeah! Yes it's human
           Gm
It's just human
Bb
You noticed
Cm              Eb
Yeah! Yeah just human
        Bb  F
Did you notice?
Eb
Damn right
```

[Verse 3]

```
Gm
You're so right and you don't think you're wrong
Gm
You're not on the list, you're not in my songs
```
