When We Were Young

Adele

Guitar akkorder · Capo 3

```
[Intro]
Am   Em    F   C/E
Dm       C

[Verse 1]
Am          Em                   F    C/E
  Everybody loves the things you do
                Dm                 C
From the way you talk to the way you move
Am          Em              F      C/E
  Everybody here is watching  you
                     Dm                              C        C C/B
'Cause you feel like home, you're like a dream come  true

Am          Em                   F     C/E
  But if by chance you're here alone
             Dm              C    C C/B
Can I have a moment before I go
Am                    Em               F     C/E
  'Cause I've been by myself all night long
              Dm                Gsus4  G
Hoping you're someone  I used to know

[Pre-Chorus]
                  F      G
You look like a movie
                  Em     F
You sound like a song
                F         G
My God, this reminds me
                  Em     G
Of when we were young

[Chorus]
       C              Em                F              G
Let me photograph you in this light, in case it is the last time
        C          Em            F              G
That we might be exactly like we were before we realised
         Am               C/E             F         Fm
We were scared of getting old, it made us restless
                   Dm     F                    Gsus4  G
It was just like a movie,   it was just like a song

[Verse 2]
Am          Em                F      C/E
   I was so scared to face my fears
```

```
       Dm                    C      C C/B
Nobody told me that you'd be here
Am            Em              F     C/E
  And I swear you'd moved overseas
              Dm                   Gsus4 G
That's what you  said when you left me

[Pre-Chorus]
                        F     G
You still look like a movie
                        Em    F
You still sound like a song
               F         G
My God, this reminds me
                Em     G
Of when we were young

[Chorus]
       C              Em                F              G
Let me photograph you in this light, in case it is the last time
        C          Em            F              G
That we might be exactly like we were before we realised
         Am               C/E             F         Fm
We were scared of getting old, it made us restless
                    Dm     F                    G     E7/G#
It was just like a movie,   it was just like a song

[Bridge]
     Am            C/G
When we were young
     F             C/E
When we were young
     Dm
When we were young
     C/G           E7/G#
When we were young

     Am      C/G         F               C/E
It's hard to admit that, everything just takes me back
        Dm
To when you were there
        G              E7/G#
To when you were there
      Am               C/G         F               C/E
And a part of me keeps holding on, just in case it hasn't gone
        Dm
I guess I still care
   G
Do you still care?

[Pre-Chorus]
```

```
                     F     G
It was just like a movie
                    Em    F
It was just like a song
                F         G
My God, this reminds me
                 Em     G
Of when we were young

[Bridge]
     C             Em
When we were young
     F             G
When we were young
     C             Em
When we were young
     F             G
When we were young

[Chorus]
       C               Em                F               G
Let me photograph you in this light, in case it is the last time
        C           Em            F              G
That we might be exactly like we were before we realised
        Am                C/E             F       G
We were scared of getting old, it made us restless
           Am              C/E               F        Fm
Oh, I'm so mad I'm getting old, it makes me reckless
                    Dm     F                    Gsus4 G
It was just like a movie,   it was just like a song
              C
When we were young
