Right Next To The Right One

Tim Christensen

Guitar akkorder

Intro: Am (Kun et anslag)

Vers:

```
Am              G             Am     G
What if we were ment to be together
Am              G              C   E  E7
what if we were ment to be the one
Am             G
I could hide a million years,
    Am     G             Am
And try to believe that anytime
    G               F                     G
The girl in my mind will come and rescue me.
```

Omkvæd:

```
                 C
Cause you're the fire, you're the one
             F                                  G
But you will never see the sun, if you don't know
                          C     C7
You're right next to the right one
        C
I could call it many names,
        F
But its myself I need to blame,
             D7           Dm7                G     C
If you don't know, you're right next to the right one
```

Vers:

```
Am             G                 Am        G
In the end you got a friend for lifetime, hmm...
Am              G               Am       G
Truely there to truely care for you
  Am             G
I know you cry a million tears
   Am             G
So I want you to know
       Am             G
That a pretty face can take you
        F            G
places, you don't wanna go.
```

Omkvæd:

```
                C
Cause you're the fire, you're the one
             F                                  G
But you will never see the sun, if you don't know
                          C     C7
You're right next to the right one
        C
I could call it many names,
        F
But its myself I need to blame,
             D7           Dm7                G     C
If you don't know, you're right next to the right one
```

Mellemspil:

|Am G Am G| - |Am Dm E G E| x2

```
Am             G               Am             G
In the end it all depends on wether you're fine,
Am             G                   F              Gsus
warm embrace, when I replace the one you had in mind.
```

Omkvæd:

```
                C
Cause you're the fire, you're the one
             F                                  G
But you will never see the sun, if you don't know
                          C     C7
You're right next to the right one
        C
I could call it many names,
        F
But its myself I need to blame,
             D7           Dm7                G     C
If you don't know, you're right next to the right one
```
